

DOCKET NO.: EQB-0034

PATENT

Application No.: not yet known

Preliminary Amendment - First Action Not Yet Received

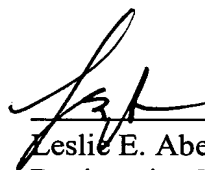

REMARKS

Applicant is amending the specification to add the cross-reference to related applications.

Claims 1-32 are pending in the present application. Claim 32 is added. Claim 32 adds no new matter. Support can be found, for example, on pages 51-52 of the application.

Applicants believe that the foregoing constitutes a complete and full response to the Office Action of record. An early and favorable consideration of the present application is respectfully.

Date: January 13, 2005
